

## Top Ways DOGSAFE® Can Help Dog Professionals

- 1. Are you able to ensure safety to all your clients' dogs / shelter dogs / foster dogs while they are in your care?** DOGSAFE® will train you and all employees / volunteers in canine first aid with our DOGSAFE® courses. On-site training is also available for your whole team.
- 2. Planning an Open House or other public event?** DOGSAFE® will help ensure a safe event for all dogs in attendance by attending as a DOGSAFE® Canine First Aid volunteer.
- 3. Are your customers / clients / foster families asking you about canine first aid topics or courses?** DOGSAFE® business cards and brochures are available for your introduction / client / adoption packages. They will thank you for providing them contact information for an organization dedicated to maximizing canine first aid and safety awareness.
- 4. Looking to increase your organization's exposure on the web?** Complete the DOGSAFE® Canine First Aid course and you will be placed on our "Find a Certified Dog Professional" webpage with a link back to your website. A "DOGSAFE Certified" jpeg logo is also available for display on your website.
- 5. Do your clients have questions about canine first aid?** Or, an email tips sheet that you may include in your own email newsletter. Your clients will thank you for having informative tip sheets available.

For further information on any of the above or to discuss other ideas on how DOGSAFE® may assist you in your business, please contact your local DOGSAFE® Authorized Instructor.
